Friendly Packing Reminder for Your Filipino Adventure

G'day! As you gear up for your exciting trip to the Philippines, we've put together a little checklist to help you remember the essentials. Let's make sure you're all set for an unforgettable experience!

1

PHILIPPINE PESOS

If you haven't exchanged your Aussie dollars yet, no worries! There are plenty of ATMs around, including at the Shangri La Hotel and throughout Cebu. Just a heads up - bringing your physical card is a good idea, as some places may not accept digital payments.

SUN PROTECTION

We all know how intense the sun can be, so don't forget your sunscreen - factor 50 is ideal! A hat is also a great addition to keep you shaded and help us avoid those sunburnt selfies!

3

BEACH ATTIRE

With over 7,000 islands in the Philippines, you'll definitely want to pack some swimwear! Bring along a good mix of bathers and rash guards - feel free to throw in the budgie smugglers if that's your style!

PADI CERTIFICATE (FOR DIVERS)

If you're planning to dive into some underwater adventures, make sure to bring your PADI certification card or equivalent. You won't want to miss out on the fantastic diving spots!

MOSQUITO REPELLENT

A little protection goes a long way! Mosquitoes can be a bit pesky, so packing some reliable repellent will keep you bite-free during your stay.

LIGHTWEIGHT CLOTHES

March in the Philippines tends to be warm and humid, with temperatures often exceeding 30 degrees. Light, breathable clothing will keep you comfortable. And since air conditioning can be quite strong, it's smart to bring a light jacket or long-sleeved top just in case.

PASALUBONG FOR YOUR TEAM

It's lovely to bring a little something for your team—think Tim Tams, Vegemite, or cute souvenirs like keychains or koala plushies. This thoughtful gesture is appreciated in Filipino culture and can help build great rapport!

HAPPY PACKING,

and we can't wait to see you in the Philippines!

SAFE TRAVELS!
